|-----------------|--|--|
| 4:00 – 5:00 pm | <p>Using PCCB with the FPPE Conditions Manager Presenter: Karen Crotinger, MS, CPMSM, CPCS (University of Rochester Medical Center)</p> <p><i>This session will focus on how to set up FPPE (focused professional practice evaluation) requirements while defining privileges using Morrisey's PCCB (Privilege Content & Criteria Builder) and then how to manage FPPE requirements using the FPPE module which is a component of the MSOW software system.</i></p> | <p>Patient Safety Organizations (PSO) – Definition, Overview and Benefits Presenter: Catherine Pusey, RN, MBA (ECRI Institute)</p> <p><i>This session will define the concept of a "Patient Safety Organization" and why they were sanctioned by the federal government, as well as outline the potential benefits to a healthcare organization of joining a PSO.</i></p> |
| 6:30 – 10:00 pm | <p>Morrisey Banquet</p> <p><i>You won't want to miss the annual Morrisey Banquet – a time of fun, networking and recognition. Not to mention the food and music. Did we mention dancing?</i></p> | |

TOP FIVE REASONS TO ATTEND THE PHYSICIAN AND HOSPITAL LEADERSHIP TRACK

1. You'll be exposed to the tools that are necessary to do the work that needs to be performed by medical staff services and quality management.
2. You'll have the opportunity to interact in a setting conducive to meaningful discussion with other physician and hospital leaders.
3. You'll hear from a variety of speakers - some who work in healthcare and provide information on how they have used software to meet the quality, credentialing and regulatory needs of their organization.
4. You'll hear about new products offered by Morrisey and have the opportunity to influence development.
5. The Morrisey Banquet!!
